

2010 Army Geospatial Imagery Conference

Tuesday - 18 MAY 2010

0700-0800 Registration and Breakfast

0800-0805 Welcome - Mr. Keith Masback, President, USGIF

0805-0810 Administrative Announcements - TASC

0810-0815 Master of Ceremonies - Mr. John Olesak, Vice President, Northrop Grumman

0815-0900 NGA NST-A and Army GEOINT Office Roles and Responsibilities - LTC Jason Benefield, NGA and Mr. Jim Ward, AGO

0900-0945 ARSTRAT AGI Node - Mr. Brian Plaisted, SMDC/ARSTRAT, and ARSTRAT Commercial Imagery Team (CIT) - MAJ Lakey, SMDC/ARSTRAT

0945-1015 Keynote - Mr. Robert Burkhardt, Geospatial Information Officer, US Army, and Director, Army Geospatial Center

1015-1100 Keynote Address - VADM Robert B. Murrett, US Navy, Director, National Geospatial-Intelligence Agency (NGA)

1100-1200 TRADOC GEOINT Proponents Update - COL James Taylor, USAICoE, and COL Sam Ligo, TCM-G

1200-1300 Lunch Break

1300-1330 Geospatial Visualization Enterprise Services (GV-ES) - Mr. Carl Stuekerjuergen, NGA

1330-1400 NGA College Update - Mr. David Dougherty, NGA

1400-1430 MCE Operations Update - Maj James Hopkins, Mapping and Charting Establishment (MCE), Directorate of Geospatial Intelligence

1430-1500 UK GEOINT Update

1500-1600 Integrated Signatures Program (ISP) - Dr. Robert Best, Program Manager, ISP, JIEDDO

Career Management Workshop - Trenton Room

1600-1700 Engineer Warrant Officer Career Manager Workshop - CW4 Jerome Bussey, HRC (Trenton Room)

Advertisements, promotions, statements and logos are those of USGIF or other organizations participating in this event. The United States Department of Defense neither states nor implies any endorsement, association or recommendation with regard to these organizations. The use of the term "Army" in the title of this event is intended only to convey that the event is thematically focused on the geospatial and imagery intelligence practices of the United States Army and other ground forces. It is not intended to state or imply the endorsement, association, or recommendation of the United States Army with USGIF or other organizations participating in this event, or to state or imply that the United States Army is a host or sponsor of the event.

2010 Army Geospatial Imagery Conference

Wednesday - 19 MAY 2010

0800-0805 Administrative Announcements - Emcee

0805-0850 Keynote Speaker - MG Merdith W.B. "Bo" Temple, Deputy Commanding General, US Army Corps of Engineers

0850-1000 Imagery Panel - Moderator: Greg Strong, HQDA G-2; Panelists: CDR Joe Smith, Mr. Kevin McLean, CW5 Tom Dostie, CW3 Martin Schwerzler, and Mr. Darren Stelle

0850-1030 Distributed Common Ground System/Service-Army (DCGS-A) Geospatial Workshop - Ms. Linda Graff, AGC (Yorktown Room)

1000-1030 Break

1030-1100 Afghanistan LiDAR Deployment - Ms. Ann Carbonell, NGA

1100-1130 Buckeye Update - Mr. Mike Hardaway, AGC

1130-1200 Web-based Access and Retrieval Portal (WARP) Update - Mr. Frank Gutierrez, NGA

1200-1230 ESRI Imagery Briefing - Mr. Lawrie Jordan, Director of Imagery, ESRI

1230-1330 Lunch Break

Career Management Workshop - Trenton Room

1330-1630 Career Engineer Workshop Enlisted Personnel - SFC Soloman Bacon, HRC Engineer, and MSG James Pardue, EPPO USAES, SGM Martin Hopkins, USARCENT (Concord Room)

Geospatial Specialty Breakouts - Lexington/Concord Room

1330-1400 Collaborative Geospatial Support to Afghanistan - Mr. Jim Hill, MCIA

1400-1420 Tactical Terrain Transforms for Afghanistan: Ambush Vulnerability and Helicopter Threat Matrix - Mr. JP Meyer, Geospatial Analyst, MDA Federal

1420-1450 CENTCOM AF GEOINT Production Surge Update - Mr. Craig Rickert, NGA

1450-1520 Consolidated Analytics Spatial Initiative (CASI) Update - Ms. Emily Kilman, NGA

1520-1600 CTSF Geospatial Products Update: Response to Haiti, Timely and Relevant - Mr. Salvatore Corpina and Mr. John Seibert, Central Technical Support Facility

1600-1620 Worldwide Civil Information Data Base - MAJ Mark Metzger, USASOC, HHC/95th Civil Affairs Brigade

Advertisements, promotions, statements and logos are those of USGIF or other organizations participating in this event. The United States Department of Defense neither states nor implies any endorsement, association or recommendation with regard to these organizations. The use of the term "Army" in the title of this event is intended only to convey that the event is thematically focused on the geospatial and imagery intelligence practices of the United States Army and other ground forces. 2010 Army Geospatial Imagery Conference

- 1620-1640 Border Zone Tactical Planner (BZTP)- Aaron Armstrong, AGC, and Paul Hamilton, AGC
- 1640-1730 Theater Geospatial Database (TGD) Implementation of ArcGIS Server and GEOINT Visualization Services (GVS) - LTC Craig S. Guth, TGD Production Manager

Imagery Specialty Breakouts - Yorktown Room

- 1330-1400 *Geospatial* Information Interoperability Exploitation-Portable - Mr. John Buckley and Ms. Terri Innes, SMDC
- 1400-1430 Geographic Information Management System (GIMS) - Ms. Joan Straub, NGA
- 1430-1500 GEOINT Source Assessment and Integration Working Group (SAIWG) - Mr. Robert Smart, NGA
- 1500-1530 AGI Toolkit - MAJ Methvin, Mr. Mark Bromley, Mr. Leon Hicks, Raytheon
- 1530-1550 Tactical Imagery Visualization and Exploitation Toolset (TIVET) - Mr. Aaron Armstrong, AGC
- 1550-1620 New Capabilities in SOcET GXP 3.2 - Mr. Darren Stelle, BAE Systems Geospatial eXploitation Products
- 1620-1700 Zebra Imaging Technology Update - Mr. Jim Gardner ZEBRA, Mr. Mike Hardaway AGC, and Ms. Audrey Bruun, DCS G-2

2010 Army Geospatial Imagery Conference

Thursday - 20 MAY 2010

- 0800-0810 Administrative Announcements - Emcee
- 0810-0900 Advanced Geospatial Intelligence (AGI) and Measurements and Signatures Intelligence (MASINT) Reporting and Dissemination Services (AMRDS) Update - Mr. Rob Cornett, 513th MI BDE
- 0900-1030 Unconventional Geospatial Operations: Defense Support of Civil Priorities (DSCA) and Humanitarian Assistance/Disaster Relief Panel - Moderator: LTC Dave Foster, CW2 Ibanez, 512th GPC, SFT Gernandt, 100th Engr Co, Mr. Cullis-NGB, Mr. Squizzero, J2 JTF Civil Spt, Mr. Jones, USGS.
- 1030-1100 Tourist: Geospatial 360° Street-Level Imagery and Full-Motion Video in Iraq and Afghanistan - Mr. Greg Michael, AGC and Mr. George Newbury, AGC
- 1030-1200 Enterprise and GEOINT Standard Panel - Mr. Dane Visone, AGC
(Trenton Room)
- 1100-1130 Leveraging EAC Geospatial Companies for the Modular Force - CPT Colleen Reiss, 100th Eng Co
- 1130-1200 NSG Expeditionary Architecture - Mr. Keith Barber, NGA
- 1200-1230 Commercial and Motion Imagery (CAMI) Study - CW5 Tom Dostie, USAICe
- 1230-1300 Capability Building: Geospatial Engineering - CW3 Steve Joseph, US Army Africa, and CW4 Campbell, US Army Africa
- 1300-1700 Buses to USGIF Tech Days (Hyatt Regency Reston)
- 1700-1900 GEOINT Community Reception/No-Host Social (Hyatt Regency Reston) with the United States Geospatial Intelligence Foundation (USGIF), Army Engineer Association (AEA), Advanced Technical Intelligence Association (ATIA), and the Friends of ISR.

Advertisements, promotions, statements and logos are those of USGIF or other organizations participating in this event. The United States Department of Defense neither states nor implies any endorsement, association or recommendation with regard to these organizations. The use of the term "Army" in the title of this event is intended only to convey that the event is thematically focused on the geospatial and imagery intelligence practices of the United States Army and other ground forces. It is not intended to state or imply the endorsement, association, or recommendation of the United States Army with USGIF or other organizations participating in this event, or to state or imply that the United States Army is a host or sponsor of the event.

2010 Army Geospatial Imagery Conference

Friday - 21 MAY 2010

0800-0815 Administrative Announcements - Emcee

0815-0845 Afghanistan GEOINT Issues - LtCol Stephen Cowan, UK LNO to NGA

0845-0915 NGA Combat Operations Support Team (COST) - Mr. Todd Ebron, NGA

0915-0955 Combat Terrain Information System (CTIS)/Distributed Common Ground System/Service-Army (DCGS-A) Geospatial Update - Mr. Bob Knowles, PD CTIS, AGC

0955-1025 Break

1025-1045 GeoPDF Update - Mr. Ray Caputo, AGC

1045-1130 Aviation Vertical Obstruction Identification Database (AVOID) - CW4 John Hescott, US Army Aviation Center

1130-1200 NSG Objective Video Architecture (NOVA) Valiant Angel - CDR Joe Smith, NGA

1200-1230 Integration of Imagery and GIS - Mr. Kevin Lausten, ITT VIS

1230-1300 Closing Remarks

Advertisements, promotions, statements and logos are those of USGIF or other organizations participating in this event. The United States Department of Defense neither states nor implies any endorsement, association or recommendation with regard to these organizations. The use of the term "Army" in the title of this event is intended only to convey that the event is thematically focused on the geospatial and imagery intelligence practices of the United States Army and other ground forces. It is not intended to state or imply the endorsement, association, or recommendation of the United States Army with USGIF or other organizations participating in this event, or to state or imply that the United States Army is a host or sponsor of the event.
